

GT-25

Heavy Duty Mulcher

LEAN GREEN MULCHING MACHINES

With a 230-horsepower turbo diesel engine, powerful hydraulic pumps and our latest cutter head technology, performance, productivity and lack of profitability will NEVER be an issue with **Gyro-Trac's heavy-duty GT-25**. This high-powered mulcher chips away at hardwoods and softwoods of almost any size, including difficult Ironwood, Hickory, Australian hardwoods, petrified Oak and more!

GT-25

Heavy Duty Mulcher

Standard Specifications

DIMENSIONS

Track Width	28"	711.2 mm
Overall Length	232"	5892.8 mm
Overall Width	102"	2616.2 mm
Overall Height	110"	2794.0 mm
Weight	23,500 lbs.	10,660 kg
Ground Clearance	14"	355.6 mm
Ground Pressure	3.5 psi	24.1 kPa

ENGINE

Cummins Turbo Diesel (QSB 5.9 TAA)

No. of Cylinders	6	
HP @ 2200 RPM	230 HP	
Torque @ 1500 RPM	652 ft.-lb.	884 N.m

CAPACITIES

Fuel Tank	97 US Gal.	80.77 Imp. Gal.	367.56 L
Hydraulic Tank	72 US Gal.	60 Imp. Gal.	272.7 L

All specifications subject to change without notice.

STANDARD FEATURES

- Low-profile fully-enclosed tilt cab
- Comfortable suspension seat
- Exceeds SAE ROPS/FOPS specifications
- 6 halogen lights
- Auxiliary hydraulic
- Lexan safety windshield
- Rear sweeps for cab and systems protection
- 15,000 lb. winch
- Pressurized cabin to keep out dust and smoke

HYDRAULICS

- Closed-system Sundstrand Series 90 pumps and Rexroth motors
- Sundstrand's Plus 1™ digital monitoring and control system optimizes performance while it protects equipment from damage

STEERING

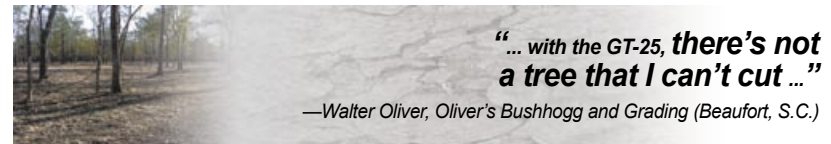

- Hydrostatic drive/steer system with single joystick control

TRACKS

- Six (6) nylon and polyester reinforced rubber tracks, assembled with heat-treated steel crosslinks
- Patented Captive-Track system makes throwing a track nearly impossible

CUTTER HEAD

- Exclusive planar fixed-tooth head cuts like a knife, literally chipping away at wood like a series of wood planes mounted on a giant chain saw
- Dual Rexroth hydraulic motors providing power to the unit
- Individually-mounted teeth replace in just minutes
- Drum speed: 2350 RPM

"... with the GT-25, there's not a tree that I can't cut ..."

—Walter Oliver, Oliver's Bushhogg and Grading (Beaufort, S.C.)
